Subject: New Time Table & Proposed Plan for First Week of Physical School for Grades 9 & Above

Dear Parents,

In reference to our previous news letter regarding the re-opening of school physically for Grades 9 and above, a new time table has been published on Edu Page starting from 21st September, please note that the following days will be observed for physical lessons on campus:

HYBRID LEARNING MODEL (GRADE 9 - 13)

Monday	Tuesday	Wednesday	Thursday	Friday
On Campus	Online learning	On Campus	Online learning	Online learning

The school will run on a hybrid model which means online learning will continue and students will physically attend school on alternative days according to a new time table.

Please bring your children to school between 8:15 AM and 8:25 AM as they will need to go through the safety kiosk which will involve temperature checking, spraying disinfectant and sanitizing hands. Do not leave until your child has entered the school building and wait for the gate keeper to inform you. No assembly will be held and children will be sent directly to their classroom. Do not send a heavy bag with your child, send stationary, a notepad/register where all work can be noted.

The students will remain in their classroom for most of the day and will be given a break of 15 minutes where they will be supervised in the classroom. Kindly send snacks/water with your child as the canteen and water dispensers will remain closed.

The dismissal time will be 12:25 PM for all grades except Grade 13. When you arrive to pick your child, please inform at the gate and your child will be notified. Kindly send a spare mask with your child in case one is lost or broken. Parents will not be allowed inside the campus without an appointment.

If you have any questions, please contact the school at info@isk.edu.pk.

Sincerely yours,

ISK Management
